WEEKEND WHEELING KIT

A plan for the crew. Less digging through the group chat.

01 THE PLAN

Trip / park

Dates

Meetup place and time

Expected return / check-in

Official park information / map link

Camp / lodging details

02 THE CREW

Who is coming / who is bringing what?

Agreed communication channel / contact plan

Before you leave

- [ ] Check current park access, hours and requirements.
- [ ] Check the forecast and agree on a plan for changing conditions.
- [ ] Save the official map and arrange the crew check-in.

AFTER THE RIDE

Write it down before the next trip becomes this trip.

What worked / what would you bring again?

Repair and maintenance reminders

What needs attention before the next outing?

Crew follow-up / shared expenses / photos to send

The story everyone will keep telling

Keep a copy. Print a fresh one for the next weekend.
